Section II Enter the information concerning all person(s) responsible for filing the return.

This is the individual the Comptroller will contact if additional information is required or if a deficiency/refund notice is necessary. The person(s) responsible for filing the return will be contacted in the event the contact person does not respond or if no contact person is listed. **All person(s) responsible for filing the return must sign and date the return.**

Section III This section will be completed by the Register of Wills after the return is received by the Comptroller.

Section IV Computation of Maryland estate tax for estates of decedents dying after December 31, 2013.

Complete the federal estate tax return, Form 706, for the year of the decedent's death, regardless of whether Form 706 is required to be filed with the Internal Revenue Service.

Include the federal return, complete with all schedules, attachments and supporting documents when filing the Maryland estate tax return. The value of the property of the estate must be based upon fair market value/appraisals from Certified Appraisers.

Line 2 Complete Schedule C and enter the value, as of the decedent's date of death (or alternate valuation date, if elected), of Maryland Qualified Terminable Interest Property (QTIP) for which an election was previously made on a Maryland estate tax return filed for the estate of the decedent's predeceased spouse. Line 5 If an election for Maryland Qualified Terminable Interest Property (QTIP) is being made in the current return, complete Schedule D and enter the total amount of Maryland QTIP on line 5 of the Maryland estate tax return.

GENERAL INSTRUCTIONS

For estates of decedents dying after December 31, 2013 and before January 1, 2015

When the Form MET 1 must be filed: A Maryland estate tax return (Form MET 1) must be filed where the federal gross estate plus adjusted taxable gifts plus, property for which a Maryland QTIP election was previously made on a Form MET 1 filed for the estate of the decedent's predeceased spouse equals or exceeds \$1,000,000, and the decedent at the date of death was:

- 1. A resident of the State of Maryland or
- 2. A nonresident of the State of Maryland whose estate includes any interest in real property permanently located in this State; or tangible personal property that has a taxable situs in this State.

The Maryland estate tax return must be filed within nine months after the date of death of the decedent, even if the federal estate tax return (IRS Form 706) is not required to be filed with the Internal Revenue Service.

Who must file Form MET 1: The duly appointed personal representative shall file the return. If there is more than one personal representative, the return must be made jointly by all. If there is no personal representative appointed, every person in actual or constructive possession of any property of the decedent is required to make and file a return

Where to file return: The Maryland estate tax return is filed directly with the Comptroller. Mail the estate tax return and payment to:

Comptroller of Maryland Revenue Administration Division - Estate Tax Unit P.O. Box 828 Annapolis, MD 21404-0828

What to include with the return: When filing the Maryland estate tax return, include Maryland Schedule A if applicable, Maryland Schedule B, Maryland Schedule C if applicable, Maryland Schedule D if applicable, and the federal estate tax return, Form 706, including schedules, attachments and supporting documents. The value of the property of the estate must be based upon fair market value appraisals from Certified Appraisers.

Note: If you are not required to file a federal estate tax return but are required to file a Maryland estate tax return, attach a copy of the pro forma federal Form 706 prepared, with schedules and supporting documentation, as though a federal return was required.

Alternate Valuation: With regard to an election to value property as provided in §2032 of the Internal Revenue Code, if a federal estate tax return is not required to be filed with the Internal Revenue Service, an irrevocable election made on a timely filed Maryland estate tax return shall be deemed to be an election as required by §2032(d) of the Internal Revenue Code. In such cases, the provisions of §2032(c) of the Internal Revenue Code do not apply. An election may not be made unless that election will decrease the value of the gross estate, and the Maryland estate tax due with regard to the transfer of a decedent's Maryland estate. Report an election for alternate valuation of property by entering a check mark in the appropriate box on the front page of the Maryland estate tax return, and by reporting the same on the pro forma Form 706 filed with the MET 1. You must attach all of the required statements and appraisals. In cases in which a federal estate tax return is filed with the Internal Revenue Service, an election for alternate valuation of property for Maryland estate tax purposes must be the same as the election made for federal estate tax purposes.

Extension of time to file: The Comptroller may extend the time to file an estate tax return up to 6 months, or if the person required to file the estate tax return is out of the United States, up to 1 year.

An application form, MET 1E must be filed with the Comptroller on or before the statutory due date and should include: a copy of the federal extension request, Form 4768, if applicable; remittance of the estimated Maryland estate tax; or a request for an alternative payment schedule. See Administrative Releases #4 and #30 for additional instructions.

When and Where to pay the tax: The Maryland estate tax is payable to the Comptroller of Maryland nine months from the date of death. The check should be mailed directly to the Comptroller of Maryland, Revenue Administration Division, P.O. Box 828, Annapolis, Maryland 21404-0828 with the remittance form MET 3 that is included in the return package. The Comptroller may allow an alternative payment schedule for the Maryland estate tax in the form of a payment deferral or installment payment plan. See Administrative Release #30 for specific procedures.

Interest, Penalties and Liens: Interest will accrue at the statutory rate on unpaid Maryland estate tax from the due date of the return to the date of actual payment. See Administrative Release #14 for current rates. Penalties are provided by statute for:

- 1. failure to pay the tax when due up to 10 percent; and
- 2. failure to comply with Notice and Demand 25 percent; and

3. substantial estate tax valuation understatement - a 25 percent penalty applies to any underpayment of Maryland estate tax if the underpayment exceeds \$5,000 and is attributable to a "substantial estate tax valuation understatement," which is defined as a valuation at 60 percent or less of the amount determined to be the correct value.

Unpaid tax, interest and penalties, become subject to lien in favor of the state upon all property and rights to the property belonging to the estate.

Reporting of Adjustments: After a Maryland estate tax return has been filed, an amended Maryland estate tax return (Form MET 1) shall be filed if the Maryland estate tax liability is increased because of:

- 1. a change in the federal gross estate, federal taxable estate, federal estate tax, or other change as determined under the Internal Revenue Code;
- 2. after-discovered property;
- 3. a correction to the value of previously reported property;
- 4. a correction to the amount of previously claimed deductions; or
- 5. any other correction to a previously filed return.

The amended return shall be filed within 90 days **after the later to occur of the date of the event** that caused the increase in the Maryland estate tax liability or the date on which the person required to file an amended Maryland estate tax return learned or reasonably should have learned of the increase in the Maryland estate tax liability. Any additional tax, interest and penalties determined to be due shall be paid to the Comptroller of Maryland at the same time the amended return is filed.

An amended Maryland estate tax return is not deemed complete for processing until the Certification of Inheritance Tax is received by the Comptroller. Failure to file the Certification of Inheritance Tax will result in a delay in the processing of your return.

Refund of Excess Payment: If an adjustment results in a decrease in the Maryland estate tax, the person responsible for filing the Maryland estate tax return shall file an amended return (Form MET 1) to claim a refund of previously paid Maryland estate tax. Claims shall be supported with documents required by the Comptroller. Refunds found to be due shall be paid by the Comptroller as provided for in Section 13-901, Tax-General Article, Annotated Code of Maryland.
