1. In the case of a corporation, a license is issued to three corporate officers for the use of the corporation. If less than three officers exist (e.g. Closed Corporation), then a license may be issued to those officers. In such case, a letter so certifying must be submitted.

2. At least one of the applicants must be a Maryland resident, taxpayer and registered voter currently and for the immediate two preceding years. So designate in Section 2 of form COM/ATT-007.

3. In Section 14 of the license application, all officers must be listed whether or not they are license applicants (attach separate sheet if necessary). However, ONLY the three applicants should sign under Signature of Applicants. In the case of a corporation, the President or Vice-President of the company must sign under Signature of President or Vice-President, and if he/she is also an applicant, he/she must sign under Signature of Applicant.

4. The actual owner of the proposed license premises must sign the Owner of Premises section. Unless a Power of Attorney form is submitted, a real estate agent, etc., may not sign this section.
