FORM
612-1 **MARYLAND OTHER TOBACCO PRODUCTS**
(OTP) STORAGE WAREHOUSE SCHEDULE
- ACQUISITIONS

This schedule must be completed and submitted with your Maryland OTP Storage Warehouse Report. The number of cases on Line 2 of the Maryland OTP Storage Warehouse Report must equal all transactions reported on the OTP Acquisitions Schedule. Do not report product held in United States Customs bond. However, product removed from the bonded portion of your warehouse to the general warehouse must be reported as an acquisition on the OTP Acquisitions Schedule.

Enter corporate name, report period, location, and OTP license number on the lines provided. **In lieu of using this form to report each acquisition, a hard-copy report with the same information on this Acquisitions Schedule may be submitted.**

Instructions for completion:

Line Column

- 1-10 A Enter the date when OTP was physically received in the warehouse.
- 1-10 B Enter the license number issued by the Comptroller of Maryland for a licensed OTP manufacturer (located in Maryland) for which you are storing OTP. No license is required for an out-of-state OTP manufacturer.
- 1-10 C Enter the receipt number, or other reference number, as appropriate.
- 1-10 D Enter the full name of the licensed OTP manufacturer (located in Maryland) or OTP manufacturer (out-of-state) from which the OTP was received.
- 1-10 E Enter the OTP product type (RYO tobacco, cigars, pipe tobacco, chewing tobacco, snuff, or other) for each acquisition.
- 1-10 F Enter the quantity of each case.
- 1-10 G Enter number of cases for each OTP acquisition.
