**Part IV: Certification Oath and Signature**

A. The undersigned manufacturer certifies, under penalty of perjury, as of this date of this certification, that it is a cigarette manufacturer as defined under Business Regulation Article ("BR"), § 16-601(d) of the Annotated Code of Maryland ("Code"), and is in full compliance with the Fire Safety Cigarette Performance Standard of Cigarettes, and any rules and regulations promulgated thereof by the Comptroller of Maryland. It is further certified that each cigarette brand has been tested in accordance with ASTM standard E2187-04 "Standard Test Method for Measuring the Ignition Strength of Cigarettes," and has met the performance standard set forth in BR, § 16-602 of the Code.

B. The undersigned manufacturer further certifies, under penalty of perjury, that it will timely provide a copy of each certification to each wholesaler to whom it sells cigarettes, including copies of an illustration of the package marking approved by the Comptroller of Maryland in accordance with BR, § 16-605 of the Code.

Witness the due execution hereof on this _____ day of ____________, 20__, I set forth my hand and seal to be legally bound as the manufacturer making this certification under the laws of the State of Maryland:

Title: _______________________________

COM/FED-302 Rev. 4/11
PART I. – Indicate Type of Certification
The effective date for an initial certification approved by the Comptroller is July 1, 2008. The three year recertification is due by June 30, 2011, and the second three year recertification is due by June 30, 2014.

Supplemental certifications should be filed if cigarettes are added or removed as fire-safe. Supplemental certifications will become effective on the date of approval by the Comptroller, and expire on June 30, 2011. If a supplemental certification is received after December 31, 2010, but before June 30, 2011, the three year re-certification is due by June 30, 2014.

PART II. Manufacturer Identification
Provide your company name, address, phone number, fax number, email address, federal tax identification number, name and title of person completing the form.

PART III. Cigarette Brand Certification
Each cigarette must be listed containing the following description:

1. Brand family, e.g. Camel, Marlboro;
2. Style, e.g. Full Flavor, Ultra Light, Full Flavor Light;
3. Test date
4. Length in millimeters, e.g. 98, 100;
5. Circumference in millimeters, e.g. 24.8, 24.5;
6. Flavor, e.g., Menthol, Non-Menthol;
7. Filter or Non-Filter;
8. Package, e.g., Soft Pack, Hard Pack, Crush Proof Box; and
9. Marking, e.g., "FSC" or alternative marking approved by Comptroller;

(Use Form COM/FED-302-1 for additional brand filings)

PART IV. Certification Oath and Signature
The authorized person executing this certification must be an officer, principal, director, or other representative of the manufacturer. The manufacturer is certifying that the test method and performance standards required under Maryland law have been met, and that copies of each certification and approved marking have been furnished to each wholesaler.
